OBJECTIVE:

Recent college graduate with a Bachelor's degree in graphic design seeking employment in an entry level graphic design position.

EDUCATION:

2024 | BFA: Graphic Design

Rocky Mountain College of Art + Design
Denver, CO.

SKILLS:

- **Multi-Page Layout Design:** Involves combining typography, imagery, color, and whitespace to effectively organize and present content across various pages for publication.
- **Typography:** Selecting appropriate typefaces, font sizes, line spacing, and alignment to ensure readability and hierarchy throughout a document.
- **Illustration:** The ability to translate abstract concepts or textual descriptions into compelling visual imagery that resonates with the audience using various techniques.
- **Color Theory:** Possessing a comprehensive grasp of how colors influence human perception, emotions, and communication, as well as their application in graphic design, visual arts, marketing, and beyond.
